**Synopsis:**

Added: Feb 01, 2012 6:17 am

409th CSB/Theater Contracting Center intends to solicit a short-term Requirements contract with fixed hourly labor rates for non-personal Intelligence Technical Support Services throughout the USAREUR area of responsibility. Support is required at multiple locations to include fixed sites in Central Europe (Germany and Italy), possible future fixed sites in Eastern Europe (e.g. Bulgaria, Romania, Poland), in deployed contingency operations areas to include the Balkans, and other contingency areas. The intelligence technical support consists of intelligence analysis, operations and planning, security support, and information systems operation, maintenance and sustainment. Intelligence analysis work will include, but is not limited to, All Source and single discipline, such as Signals Intelligence (SIGINT), Imagery Intelligence (IMINT), Counterintelligence/Human Intelligence (CI/HUMINT), Geospatial Intelligence (GEOINT), and Open Source Intelligence (OSINT). Travel will be required in some cases. Security clearances are required. The contract will consist of a 4-month mobilization period, 12 months base period, and 2 six-month option periods. The reason for the short-term contract is to allow the Government sufficient time to prepare a true Performance-based Work Statement that will lead to a contract with the majority of effort as firm fixed price. Note: USAREUR G2, currently located in Heidelberg, Germany is
